Brandon Total Care Managed IT Services

- Do you want a fixed monthly IT cost?
- Proactive rather than reactive IT provider?
- Monthly strategic review?

What is it?

Total Care Managed IT Services, brought to you by Brandon Consulting offers companies the ability to outsource the day to day IT administration tasks. Result = smooth running of your operational activities with our support and maintenance provided. We also guarantee to reduce your overheads and make IT work more efficiently for you.

Why it works for our customers?

You will receive one invoice per month at a fixed cost. This includes all remote and onsite support and additional value added services plus best practice implementation.

Money back guarantee

At Brandon, we offer our customers a money back guarantee. Try our Managed Services package for one month and if you are not entirely satisfied we will give you your money back. It's a win-win situation.

Keep an eye out for our monthly events taking place on www.brandon.ie

Guaranteed reduction of overheads

- *Fixed Monthly Cost*
- *Onsite and Remote Support*
- *Experienced Certified Engineers*
- *Pro Active Support and Monitoring*
- *Total Care Anti Virus*
- *Total Care Anti Spam*
- *Scheduled Monthly Reviews*

About Brandon Consulting

At Brandon Consulting we have been providing IT Support and Implementation services to a large number of Irish customers since 1998. We currently employ 26 engineers and provide services from our offices in Dublin and Galway. We have partnered with industry leading technology companies such as Microsoft, Dell, Symantec and VMware to give our customers the best possible solutions.

BEST PRACTICE

Brandon will implement best practice processes and configuration across current infrastructure.

MONTHLY REVIEW

A monthly review will be carried out to review current operational activities and technology and strategy update.

TOTAL CARE Anti-Virus

Total Care managed Anti-Virus will be deployed as standard.

TOTAL CARE Anti-Spam

Total Care managed Anti-Spam will be deployed as standard.

EMERGENCY COVER

Brandon Consulting will ensure that your emergencies are treated as such.
